

FASHION COMMUNICATION

"Learn, Explore, Communicate"

**"we train
you build"**

Fashion Communication is one of the newest fields. This world has pushed Fashion Communication to explore human-centred concepts and processes of system design linked with IT and traditional design. It is a specialised domain that trains fashion enthusiasts to promote, communicate and be creative in the lifestyle and fashion world. Fashion Communication is for the ones who aspire to build their careers as a fashion journalist.

**"we train
you build"**

Fashion Communications covers the study of fashion writing, typography, event design, creative use of digital platforms, fashion illustration, fashion public relations and so on.

Amongst the top career pathways, an individual holding a degree in Fashion Communication can pursue Fashion Styling, Visual Communication, Space Design, Photography, Media and Digital Design, etc.
